ONE MONTH
Information Technology

2006 – 2009

UNIVERSITY OF WESTMINSTER
BA (Hons) Animation

REFERENCES

"Lola came to Getty Images and was very quick to learn a very complex workflow and backend system. She also proved herself to be an accomplished and speedy video editor as well as helping re-organise workflows and trouble shoot technical issues. Lola is very organised and thankfully a lot of this rubbed off on us! Always reliable, punctual, dedicated and fun to work with, I can recommend Lola with pleasure."
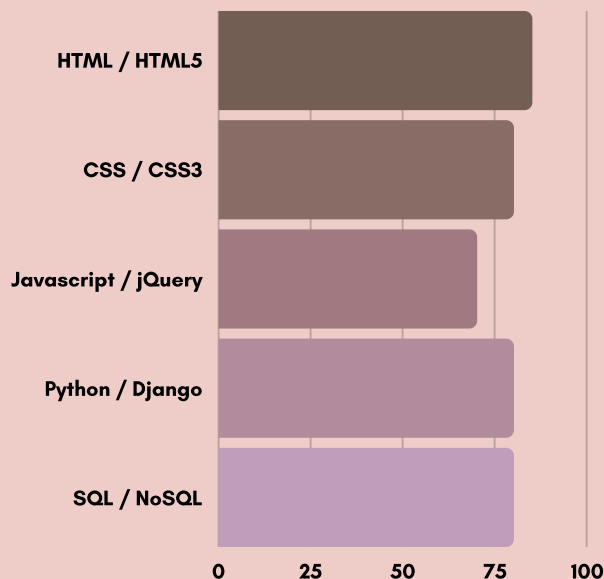

Simon Brooksbank
